

CLASSIFIED EMPLOYEE OF THE MONTH

February 2020

Quotes from Rick's nomination:

"Rick is such an important member of our staff that it is difficult to know where to begin when describing how deserving he is of this award. However, any discussion of Rick would be incomplete without first recognizing his incredible work ethic. From the minute Rick arrives at school in the morning until the end of his shift he literally never stops moving....The care he takes to make sure our school is clean and safe are noticeable the minute you walk through our doors and makes a huge contribution to the overall positive and welcoming climate of our school...Rick's work ethic, helpfulness and reliability would alone be enough to make him deserving of Classified Employee of the Month. However, where Rick shines the brightest is in his relationship with our students. "Mr.Rick" is beloved by every child at our school and is such a positive role model for each one of them... Rick makes each student he comes in contact with feel like they are an important and valuable member of our school... For all of these reasons, and so many more, we are honored to nominate Rick Houk for Classified Employee of the Month. We are so fortunate to have him on our staff!"
